RETURN OF CAPT. GREEN TO BARBADOS MARITIME

WE ARE PLEASED TO ANNOUNCE THE RETURN OF CAPT. PETER GREEN, MA, BSc, AT THE HELM OF BARBADOS MARITIME.

Ken McLean, who took over the role for almost six months, has now left the Registry and continues to pursue his other career interests. We wish him well for the future, as no doubt will many of you who will have met him socially and during the course of maritime events and IMO meetings.

Capt. Green needs no introduction, having been eminently successful in maintaining the quality and integrity of the Barbados register for many years. Indeed his willingness to set aside his retirement speaks volumes of his continuing interest in the success of the Barbados flag. We are delighted to welcome him back to the registry, as a steady hand at the tiller, whilst still planning for the future .
